Our Mission

The mission of Calhoun Falls High School is to prepare all students to be successful citizens and workers in the twenty-first century. This will be accomplished by placing an emphasis on improving student learning in reading, writing, computing, thinking, reasoning, and using information to solve problems.

From the Principal

The 2006-2007 school year was a successful one for Calhoun Falls High School. Efforts made by students paid off, as we received the prestigious Palmetto Gold Award for excellence. Below are remarks from Jim Rex, State Superintendent of Education.

"Congratulations to your school for being a Gold Award recipient in the 2007-2008 Palmetto Gold and Silver Awards Program!"

Established by the Education Accountability Act, The awards program recognizes schools with the highest levels of student academic achievement and the fastest rates of improvement. In recognition of and appreciation for your school's success, your school will receive a certificate of recognition and an award flag that accompany this letter, as well as a monetary award.

This award was won through the efforts of many people. I applaud the dedication and hard work of your school's administrators, teachers, students, staff, parents, and community; and I commend the support of your district administration and board of trustees. In addition, please accept my congratulations for your individual efforts and leadership.

On behalf of the State Board of Education and the State Department of Education, I thank you for your commitment to excellence in teaching and learning. Please convey to your entire school community our heartfelt appreciation of a job well done."

The active participation and support of students, parents, educators, community members, and business partners will guarantee the continued achievement of our students.

**Tommy Hollingsworth
Principal**
