

**ABBEVILLE COUNTY SCHOOL DISTRICT
PRESCHOOL REGISTRATION
FOR
4 AND 5 YEAR-OLDS**

Four Year-Old Program: This program requires that children meet certain criteria. To have a child screened, the legal guardian must bring the child to the school on registration day. The screening will involve the areas of language, vision, hearing, cognitive, and motor development. If you have a current vision and/or hearing report from a doctor, please bring it with you. Registration and screening will take about two hours per child. If the legal guardian is unable to bring the child for screening, a registration packet should be picked up at the school and completed prior to sending the student to preschool registration. Your child must be four on/or before September 1, 2010.

Five Year-Old Program: Children who are currently enrolled in the 4k program do not need to attend registration. Your child must be five on/or before September 1, 2010.

Please bring the following to registration:
