

Learning, Earning and Investing & The Stock Market Game

During this 4-hour workshop teachers will learn how to use active-learning lessons to help students understand the world of money management, saving and investing.

Lesson plans are demonstrated and discussed in order to build confidence in their effectiveness.

The *Learning, Earning and Investing* curriculum includes:

Lessons:

- ✚ 16-lesson middle school book
- ✚ 23-lesson high school book
- ✚ Downloadable lessons for 4th and 5th grade students

Companion website:

- ✚ Interactive simulations
- ✚ Downloadable PowerPoint visuals
- ✚ Glossary and assessments

How does the Merrill Lynch SC Stock Market Game (SMG) work?

The SMG is a statewide competition offered during fall and spring semesters. When trading begins, students have 10 weeks to invest a hypothetical \$100,000 in common stocks. Teams of three to five students research companies, select stocks, calculate transaction costs, and make on-going decisions about their portfolios.

What's In It For Me?

- Earn 4 Credit Renewal Points
- Receive a free copy of the *Learning, Earning and Investing* lesson book.
- Learn how to use the *SC Stock Market Game* in your classroom.
- Gain investing knowledge to improve your personal outcomes!
