

## ITEMS NEEDED TO ENROLL AT J. S. WRIGHT MIDDLE SCHOOL

In most cases, the complete process takes approximately 45 minutes to an hour; this time will be considerably shorter if all forms are completed. You may stop by to pick up a packet of the registration forms, if you would like to complete them at home.

To expedite your registration process, please bring in the following items when you come in to register your child:

1. Child's birth certificate
2. Child's Social Security Card
3. SC Certificate of Immunization (we must have a copy within 30 days of registration)
4. The child's last report card from previous school
5. Test scores (PACT/PASS – if from within SC) or other nationally standardized test scores if from out of state
6. Completed registration packet forms
7. Withdrawal form from previous school

**The last report card and standardized test results are necessary for class placement.**

**The parent(s) or legal guardian MUST be present for registration.**

After all of the paperwork has been completed, a short tour of the school will take place to help familiarize the student with the school's layout.
